

A photograph of two women standing in a men's clothing store. The woman on the left has short brown hair and is wearing a blue textured blazer over a dark blue button-down shirt and a matching vest. The woman on the right has long brown hair and is wearing a light green double-breasted blazer. They are both smiling at the camera. In the background, several men's suits are hanging on racks, including a pink one and a light blue one. In the foreground, there are folded pieces of clothing on a wooden surface, including a grey shirt and a red and white plaid shirt.

WOMEN'S MADE TO MEASURE

Best Menswear are proud to introduce Women's Made To Measure Tailoring. For many years we've been asked by women frustrated by the lack of quality women's tailoring, to offer a selection of business and occasion wear.

MADE TO MEASURE

THE PROCESS

Own your very own Made To Measure suit with these 3 simple steps...

STEP 1 - CONSULT

Book an in-store appointment with one of our Made To Measure Specialists who will explain the process to you and gain a full understanding of your requirements.

Full measurements are taken to ensure a perfect fitting garment (Process takes about 40 minutes).

STEP 2 - DESIGN

Under the expert guidance of our Made To Measure Specialist you will choose your cut, cloth and styling details down to linings and buttons and trims, including personalised embroidery if desired.

STEP 3 - FINAL FITTING

The tailoring and manufacturing process usually takes 4-5 weeks. When completed you will be invited for a final fitting where any minor adjustments will be made.
